| Consent for Examination, X-Ray Diagnostic Series, Insurance Authorization/Pre-Estimates: | | | | | | |
| To my knowledge, the above information is correct to date. I authorize this practice to take diagnostic x-rays, models, photographs or other records to be used in the diagnosis and treatment of conditions found. I have received the notice of privacy practices required by HIPAA. I am informed and aware that I have the right to read the "Notice of Privacy Practices" before giving consent to use or disclose personal information to third party reimbursement, financing or other payment arrangement organizations. | | | | | | |
| I understand that I am solely responsible for any and all fees incurred in my treatment. I am aware that this practice will assist me in providing specific information to third party reimbursement and/or insurer organizations with my authorization to do so. | | | | | | |
